M. D.

Marguerite L. Baker

Foreword

In presenting this book the Yearbook Staff does not intend it to be, nor do we expect others to judge it to be, a masterpiece of thought or of modern literature. It is simply a yearbook which departs somewhat from the style of other years in that we depict the school year of 1968 with frankness and informality—as we have seen it, as we shall remember it.

Seated—L. Kuhn, R. Burd, Ads; B. Love, Ass't Editor; S. Graves, Editor; A. Weimer. Standing—E. Reisman, C. Mason, D. Smith, C. McCollough, T. Bullock.

Dedication

On behalf of the entire student body of Richburg Central, we, the Yearbook Staff, dedicate this 1968 Quill to Mr. David W. Karl, our varsity coach.

After graduating from Allegany High School, he majored in Physical Education at Brockport. At present he is taking graduate work in guidance work at St. Bonaventure.

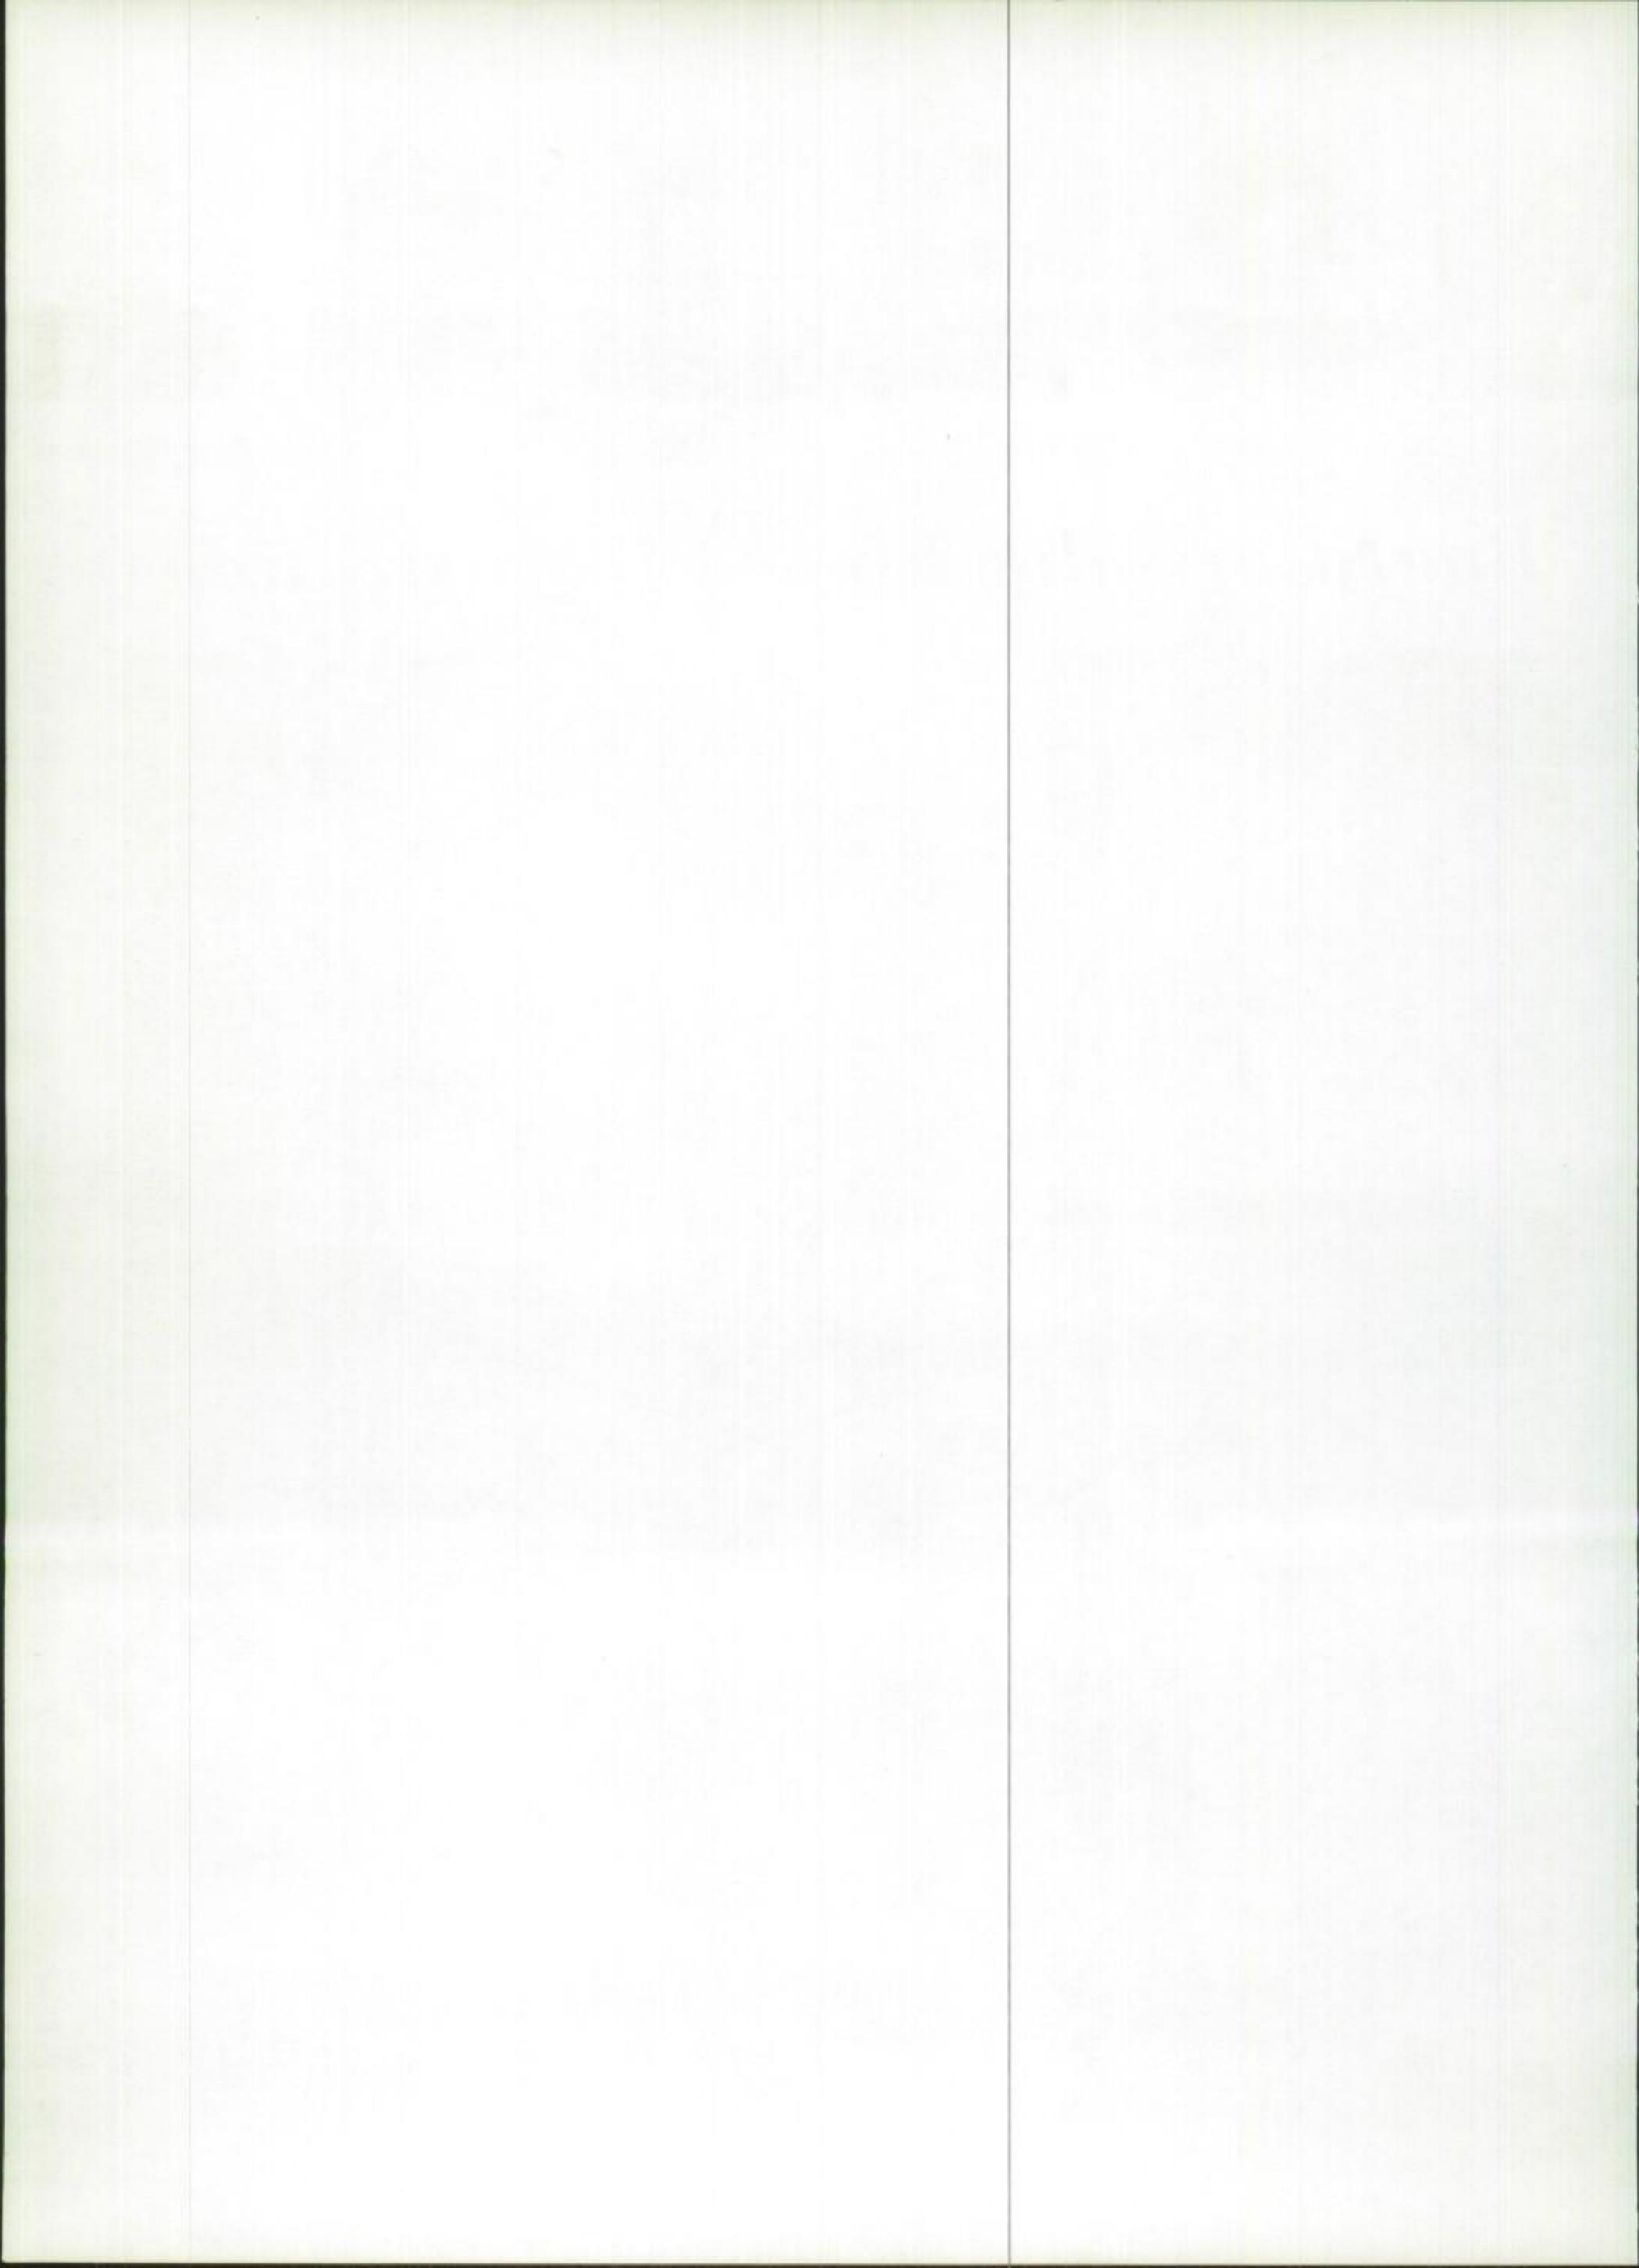

Mr. Karl, throughout his four years at Richburg, has worked hard to bring honor and glory to our school. Because of his faithful efforts to have a winning team and his constant stress on good sportsmanship, we dedicate this Yearbook to our coach.

To The Class of 1968:

The world is changing more rapidly than ever before in the history of mankind. This is producing a dilemma which each of you will have to face at an ever-increasing rate. The situation suggests that you approach it in some way that will allow you to stabilize your own environment and yourself in the world of the future.

I have always asked that each of you establish goals during your years in school. I would like to suggest that you continue to form some goal which can be used as a guide in your lifetime. Each goal can easily be supplemented by another as you adapt your abilities to the requirements of the goal. Without a goal or an objective to aim for you will wander aimlessly and accomplish only a small degree of your potential.

I would like to make one final suggestion. When you have made up your mind to aim or satisfy a goal never look back. Many people have tried and failed to improve themselves with hindsight. Do not try to reprove yourself for what has happened in the past. Always look to the future and reach for your star.

Sincerely yours,

Bruce T. Forness

Mrs. Donovan had all the qualities which make a teacher excel—and, also, make a teacher a FRIEND—

A sense of humor—to help lighten the dark hours.

A compassion—to help a student when things went sour.

A wisdom and understanding—necessary in judging how to best help a student with her problems.

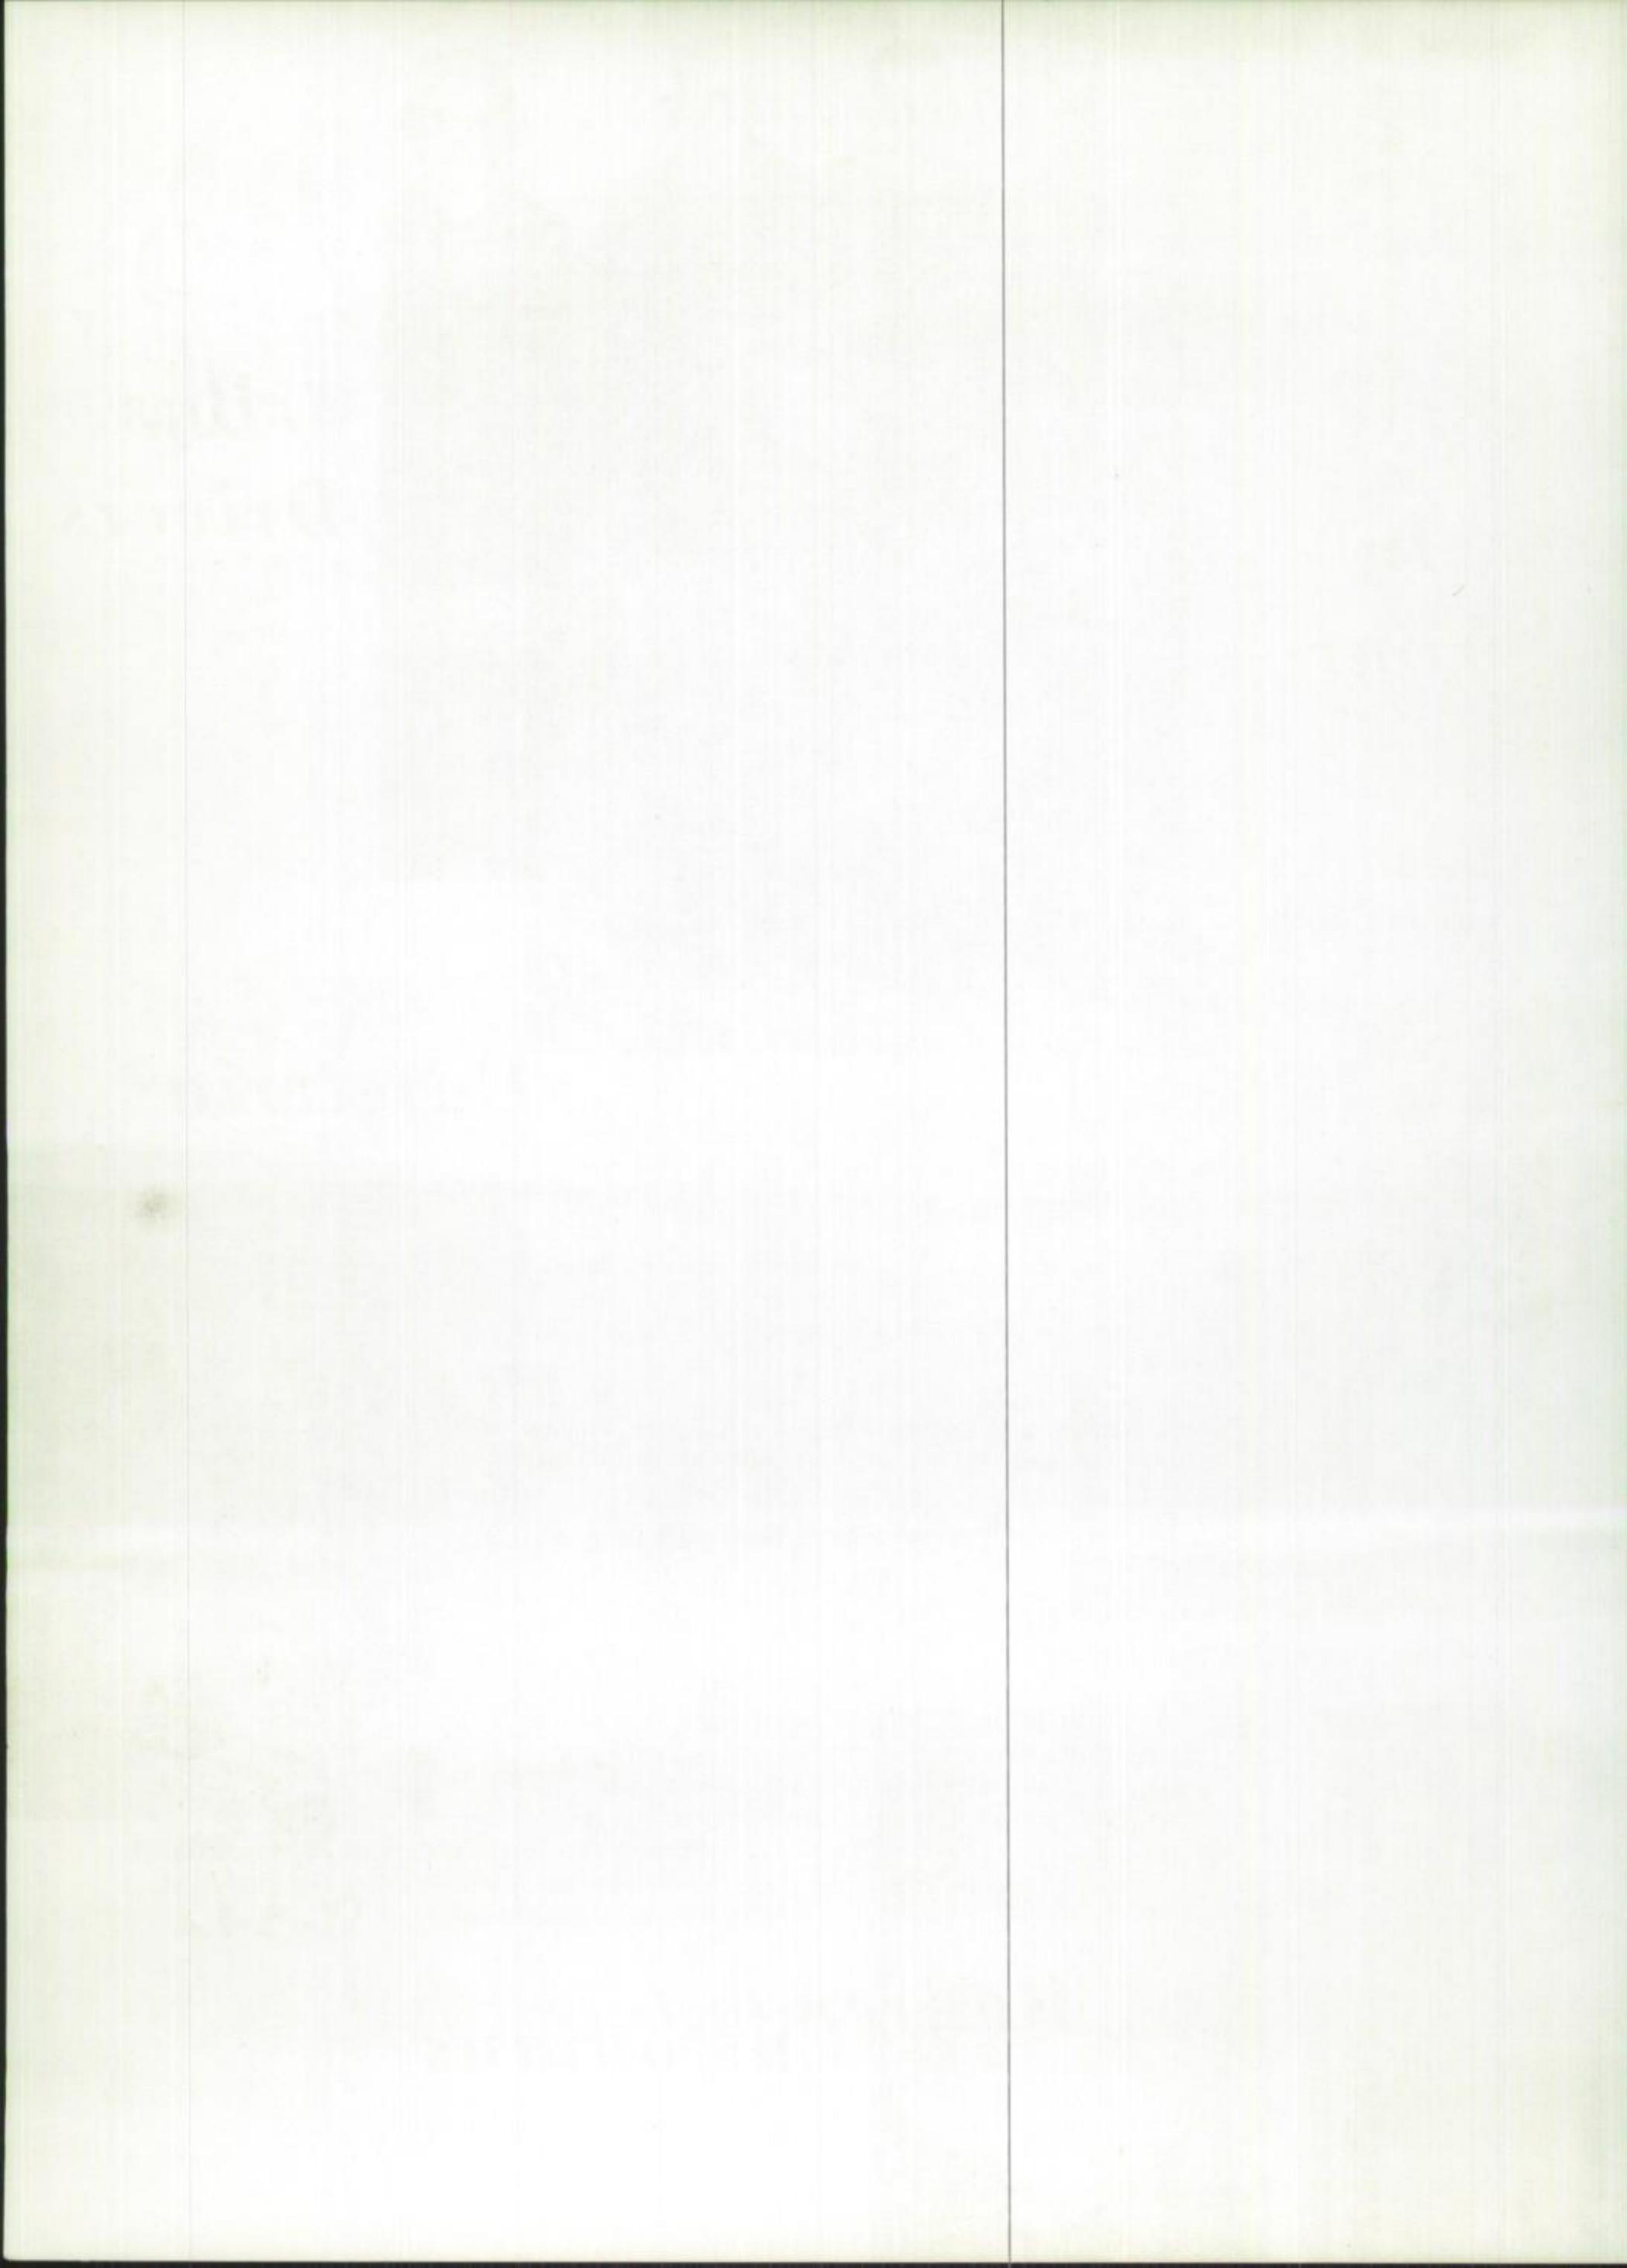

Helpful and cheerful—to teachers as well as to the students.

Knowledge—to make subject matter interesting and challenging.

On behalf of the Richburg Central School, we would like to thank you for serving our school for 11 years. We regretfully say good-bye to an outstanding teacher and wish you many years of happiness in your retirement.

Horoscope

Welcome to the year 1978. It is ten years after the graduation of the class of '68 from RCS and we are now going to take a fast trip around the world to see how the members of that class are doing today.

We will start our trip in the town of Richburg where we find DAVID BENEDICT serving as the mayor of this booming metropolis. At his side we find his ever-faithful servant JOHN BULLOCK who returned to Richburg after an unsuccessful safari to capture the famed pink elephant. While in Africa, John ran into two old classmates—DUANE SMITH and DON GRAVES who were diligently working to convert and educate the poor natives of that continent.

From here we will fly to Chicago to pay a visit to RACHEL RICHMOND and JOE WILDER who now run a candy shop in a former speak-easy. Working as head candy taster in their shop is PATTI MILLER and working as her assistant is, of course, ANDY PETTIT. Needless to say, both girls have put on a little weight.

One of the most distinguished members of this class is RORY McLAUGHLIN who is the world champion weight lifter. Rory is now in New York defending his title. While in New York we will stop in to see JOAN BURDICK who runs a tea room for little old ladies in the Village. Joan has one of America's grooviest new groups performing at her tea room. The group is known as the "Beatless" and is made up of four long haired guys who are—CURT MC COLLOUGH, ALYN WEIMER, JIM DICK, and ROD BURD.

From here let's hop down to Florida and look in on BONNIE LOVE and SYLVIA GRAVES who run an airline charter service from Miami to Russia and back. The poor girls aren't doing too well in business and are on the verge of bankruptcy. It is reported that one of their top accountants, ED REISMAN, embezzled \$10,000 from their business and took off for South America.

We understand that the new comedy team of GOODLIFF & WARNER (ALLISON and DAVE) are doing quite well in Florida. These boys first made their debut in English class.

DAVID BESSEY has made a major break into the sports world as the coach of the Richburg badminton team. The team has a perfect record—0 wins and 21 losses.

Let us now go to Las Vegas, fun capital of the world, where we find STEVE ROBINSON inserting his last quarter into a slot-machine, hoping to get enough money to throw another one of his world-famous parties.

Now we go abroad. Our first stop will be Spain where CHRIS ALLEN and CATHY SPETA are working as go-go dancers trying to earn enough to complete their tour of Europe. Good luck girls.

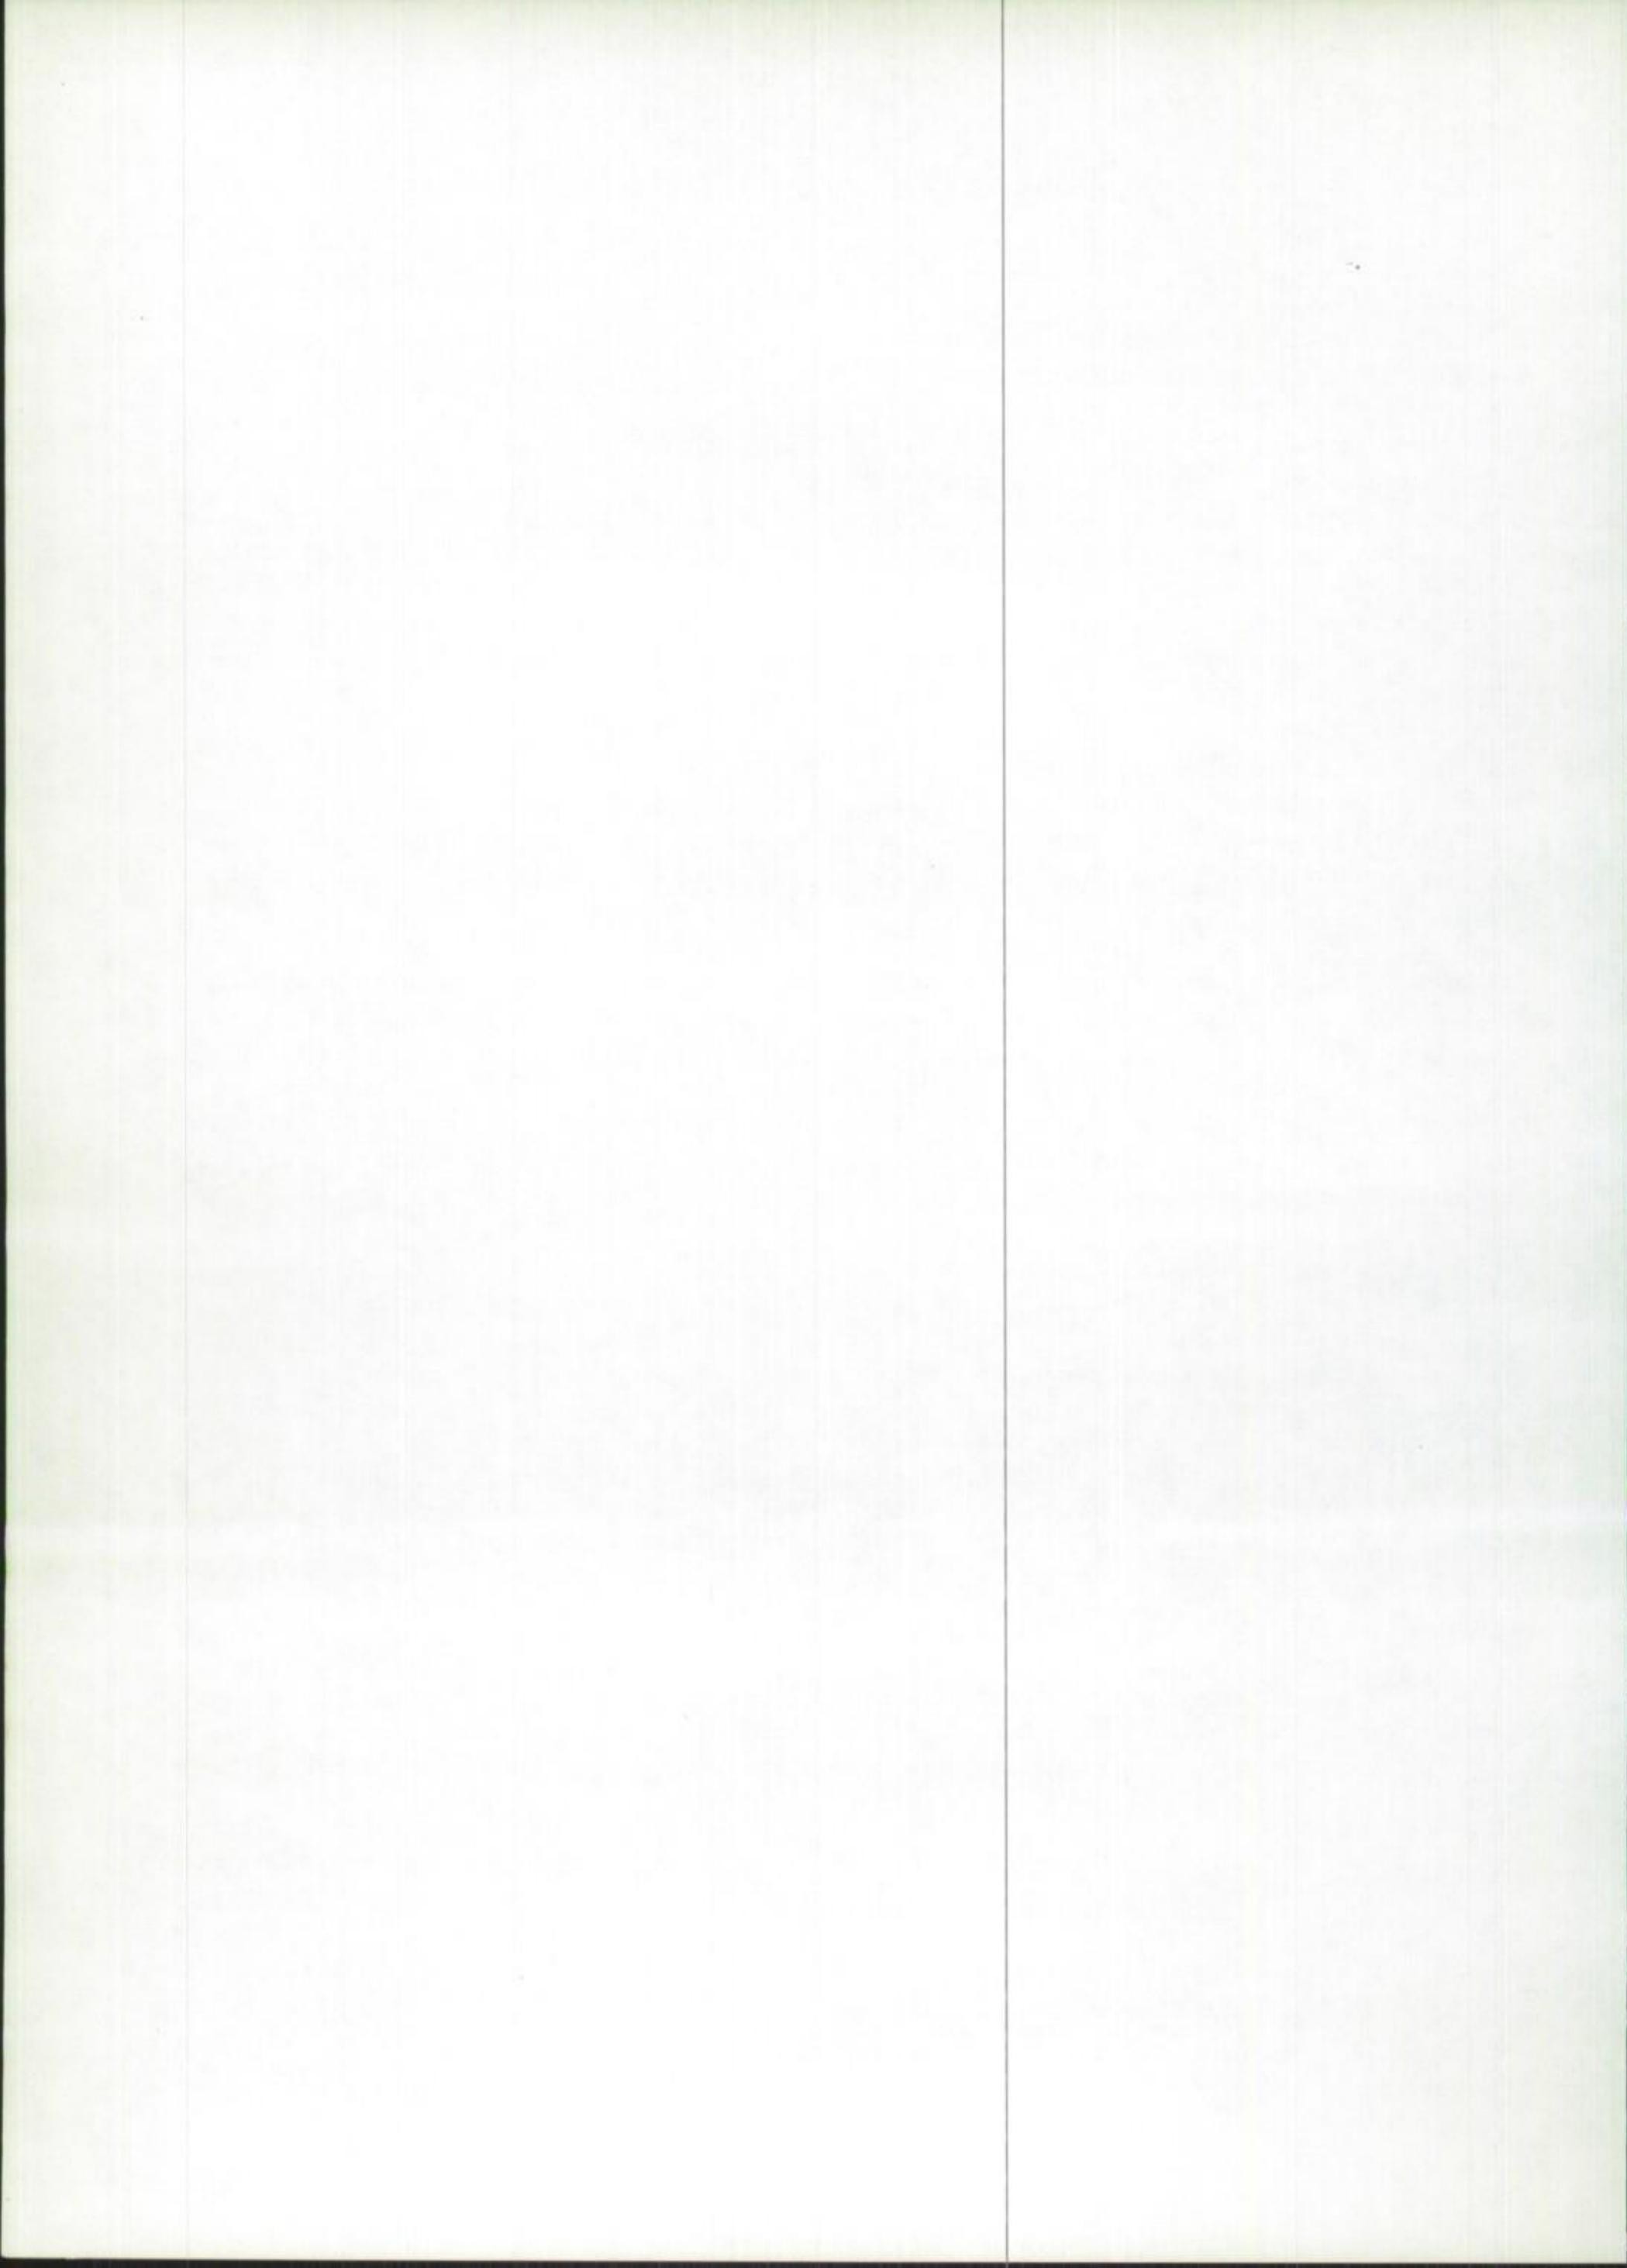

From Spain we will go to Switzerland where we find KEN ROSS and JERRY SISSON selling ice cream cones on top of the Materhorn. Those two always were cool guys.

Last, but never least, we go to the Vatican where VAN RICKICKI has just been granted an audience with the Pope.

Varsity Toll

The Varsity Basketball Team enjoyed one of the most successful seasons in recent years as the Bearcats compiled a 9-3 league record and overall 10-9 record playing one of the toughest schedules in the school's history.

The starting five are Rickicki, Dick, Bullock, Wilder, and Benedict who averaged 69 points a game while the opposition was limited to 60 points per game.

Individual honors went to Van Rickicki and Jim Dick, First Team Allegany Class D All-Stars, and John Bullock and Joe Wilder, Second team selections.

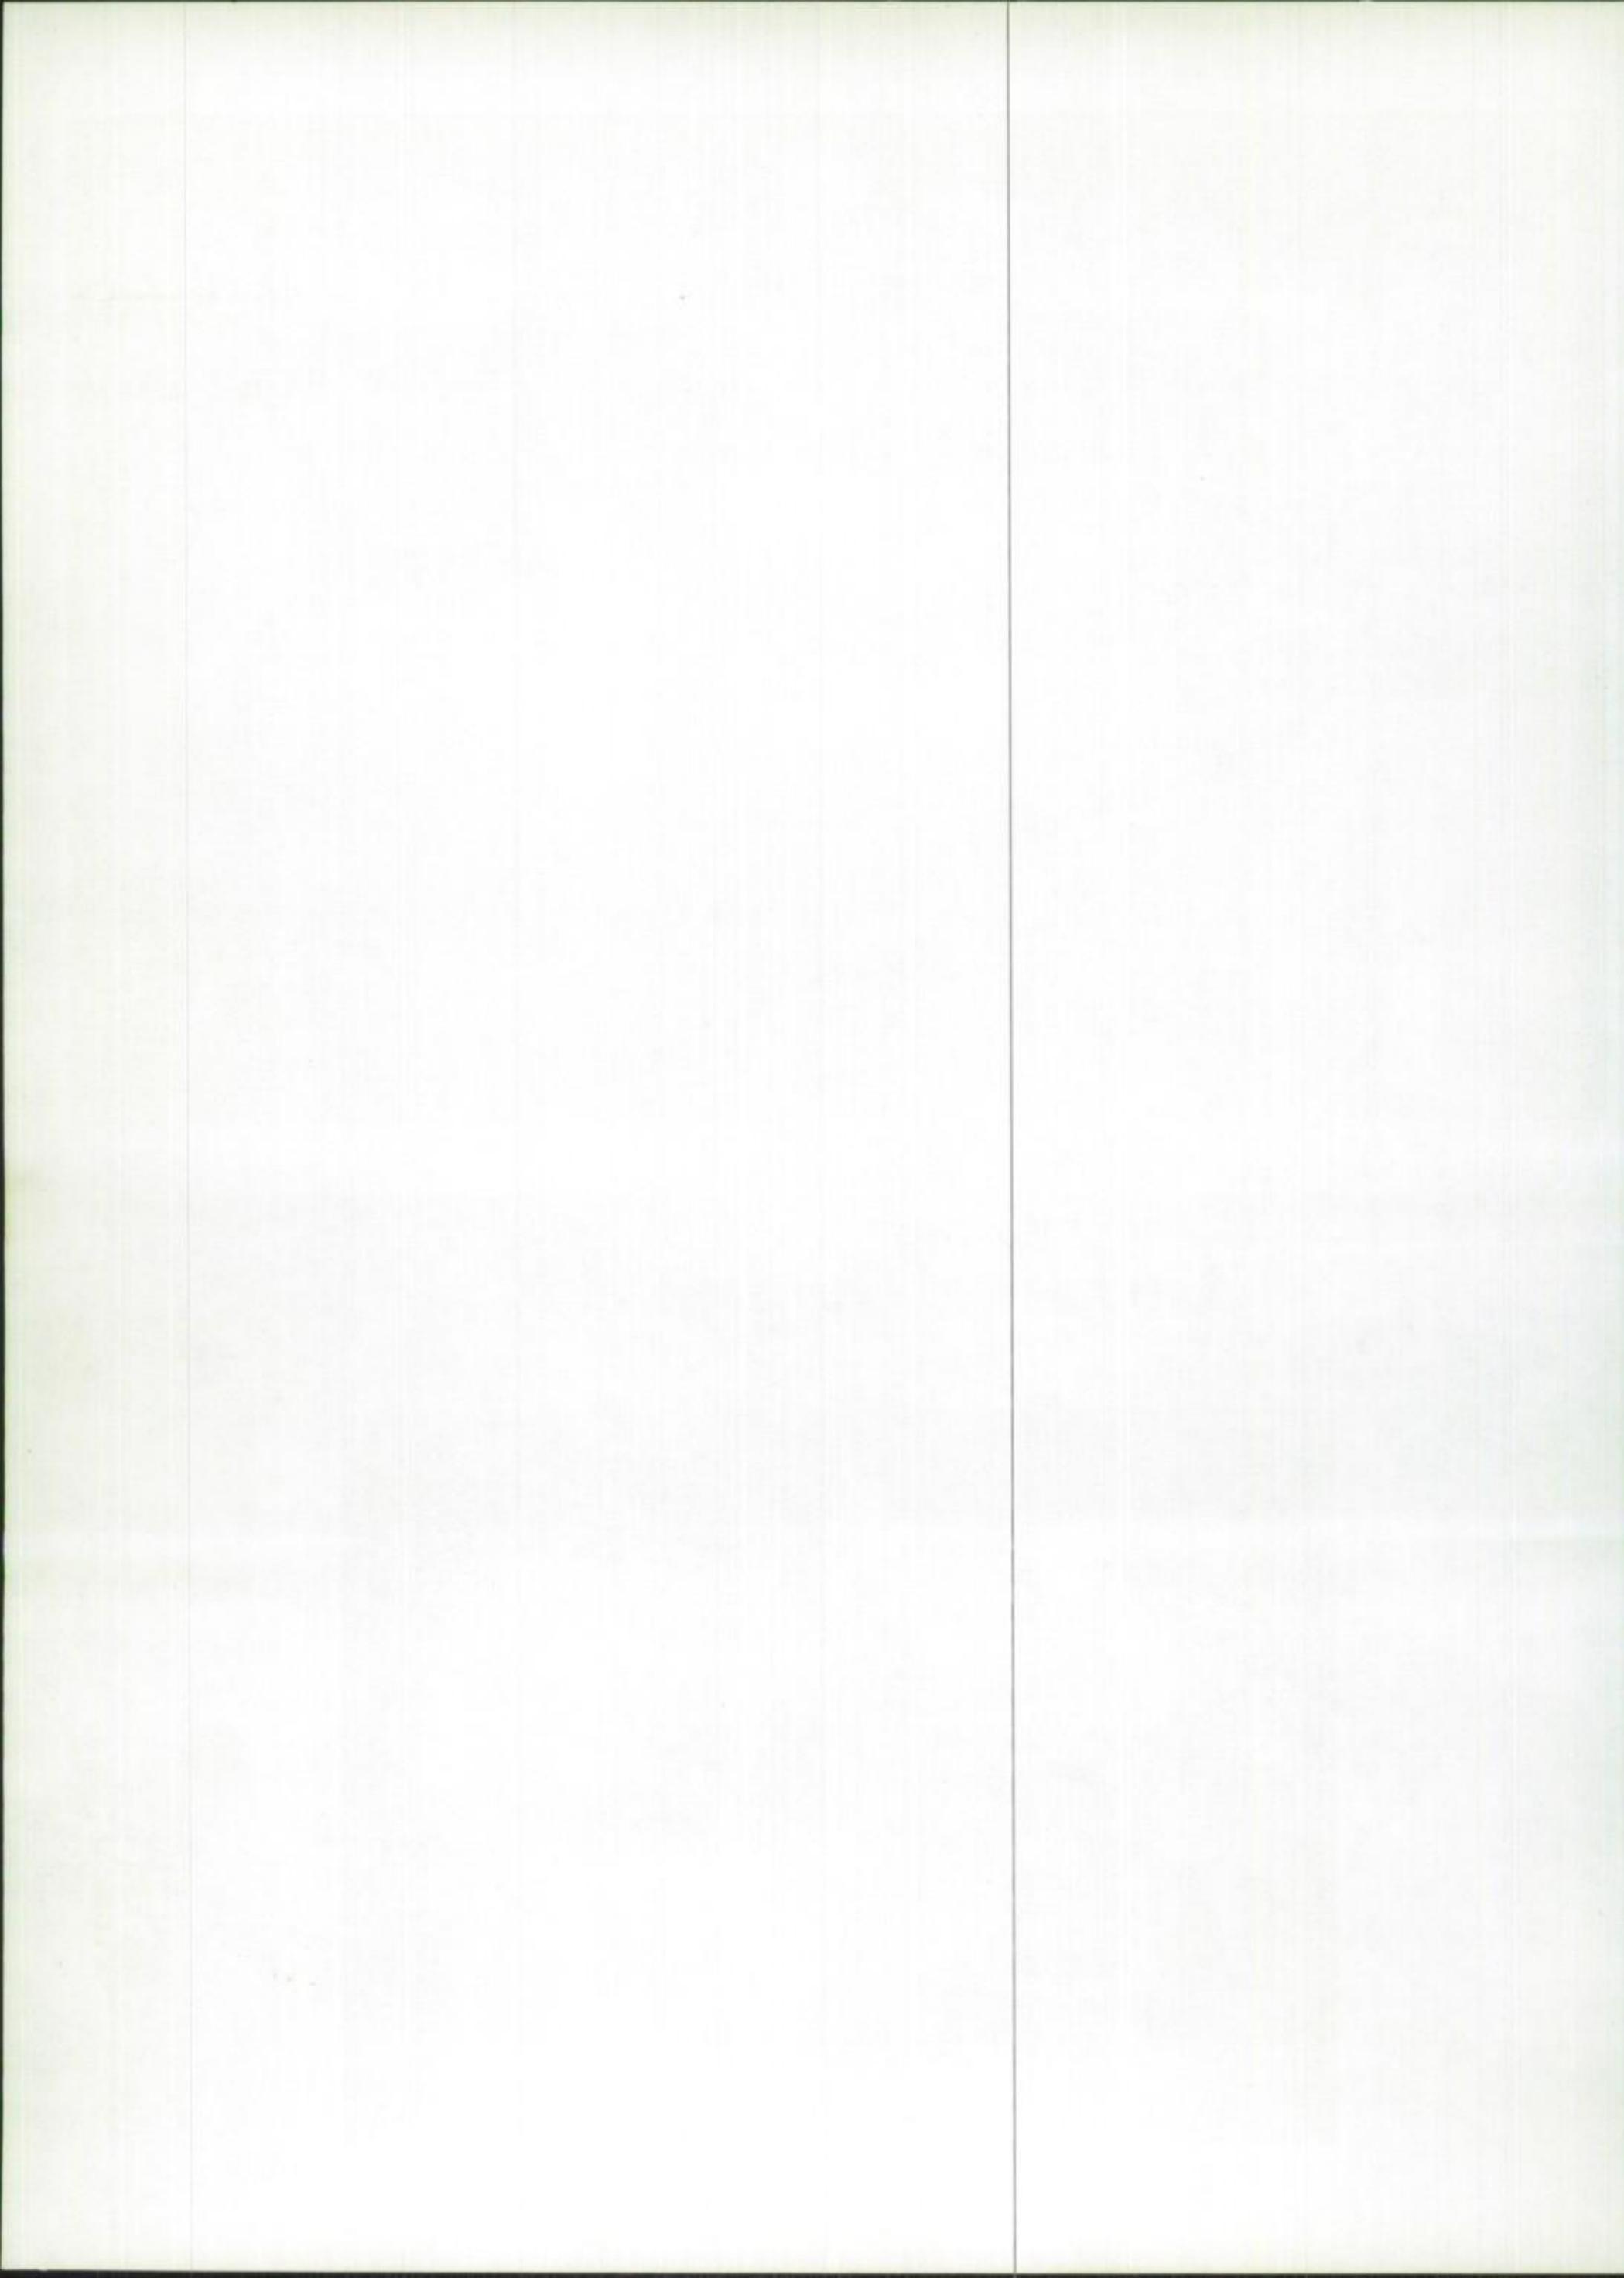

Highlights of the season were wins over Angelica and Canaseraga and a great comeback victory against Whitesville. The team made sectional berth for the first time in ten years and lost a hotly disputed game against league rival Belfast.

Coach Dave Karl will miss the seniors. However, they shall not be forgotten as their four years of hard work and devotion have built a firm foundation for the basketball building program at Richburg. Thanks to the combined effort of coach and team, the basketball outlook for the future is bright indeed.

September came, June seemed so distant.

The teachers led the way.

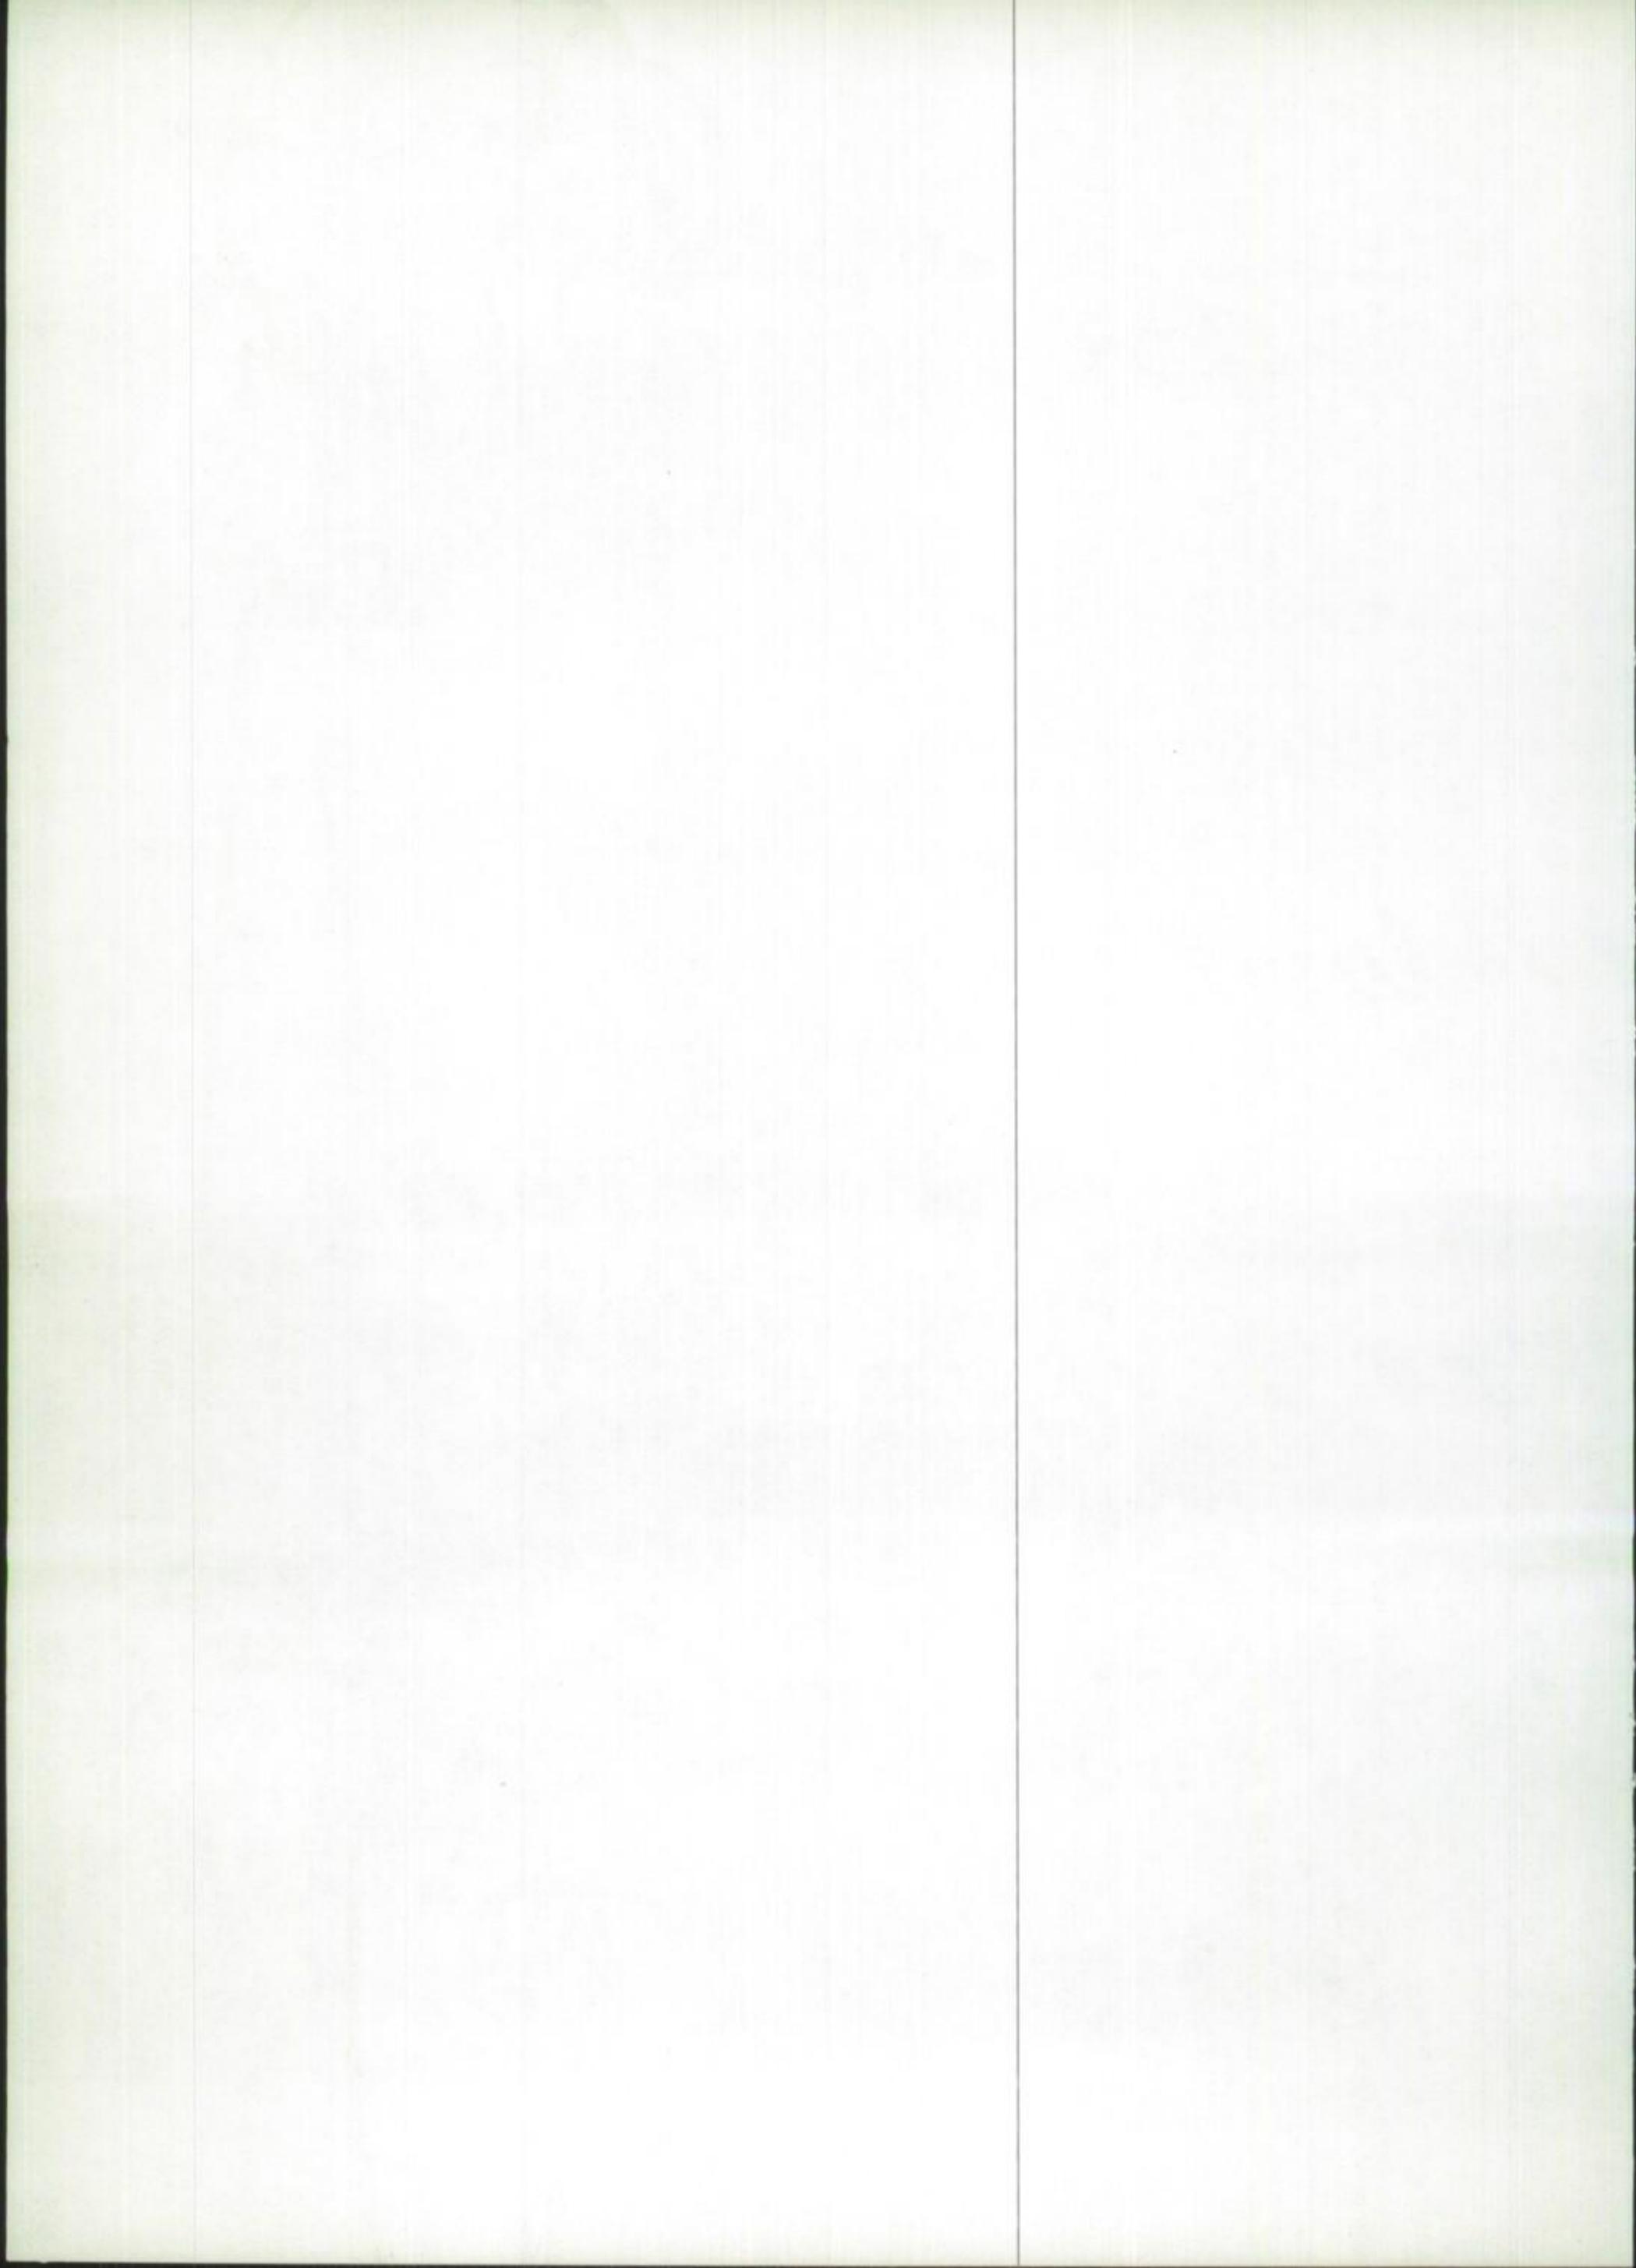

We rounded each bend, anxiously.

June arrived, the lockers were emptied.

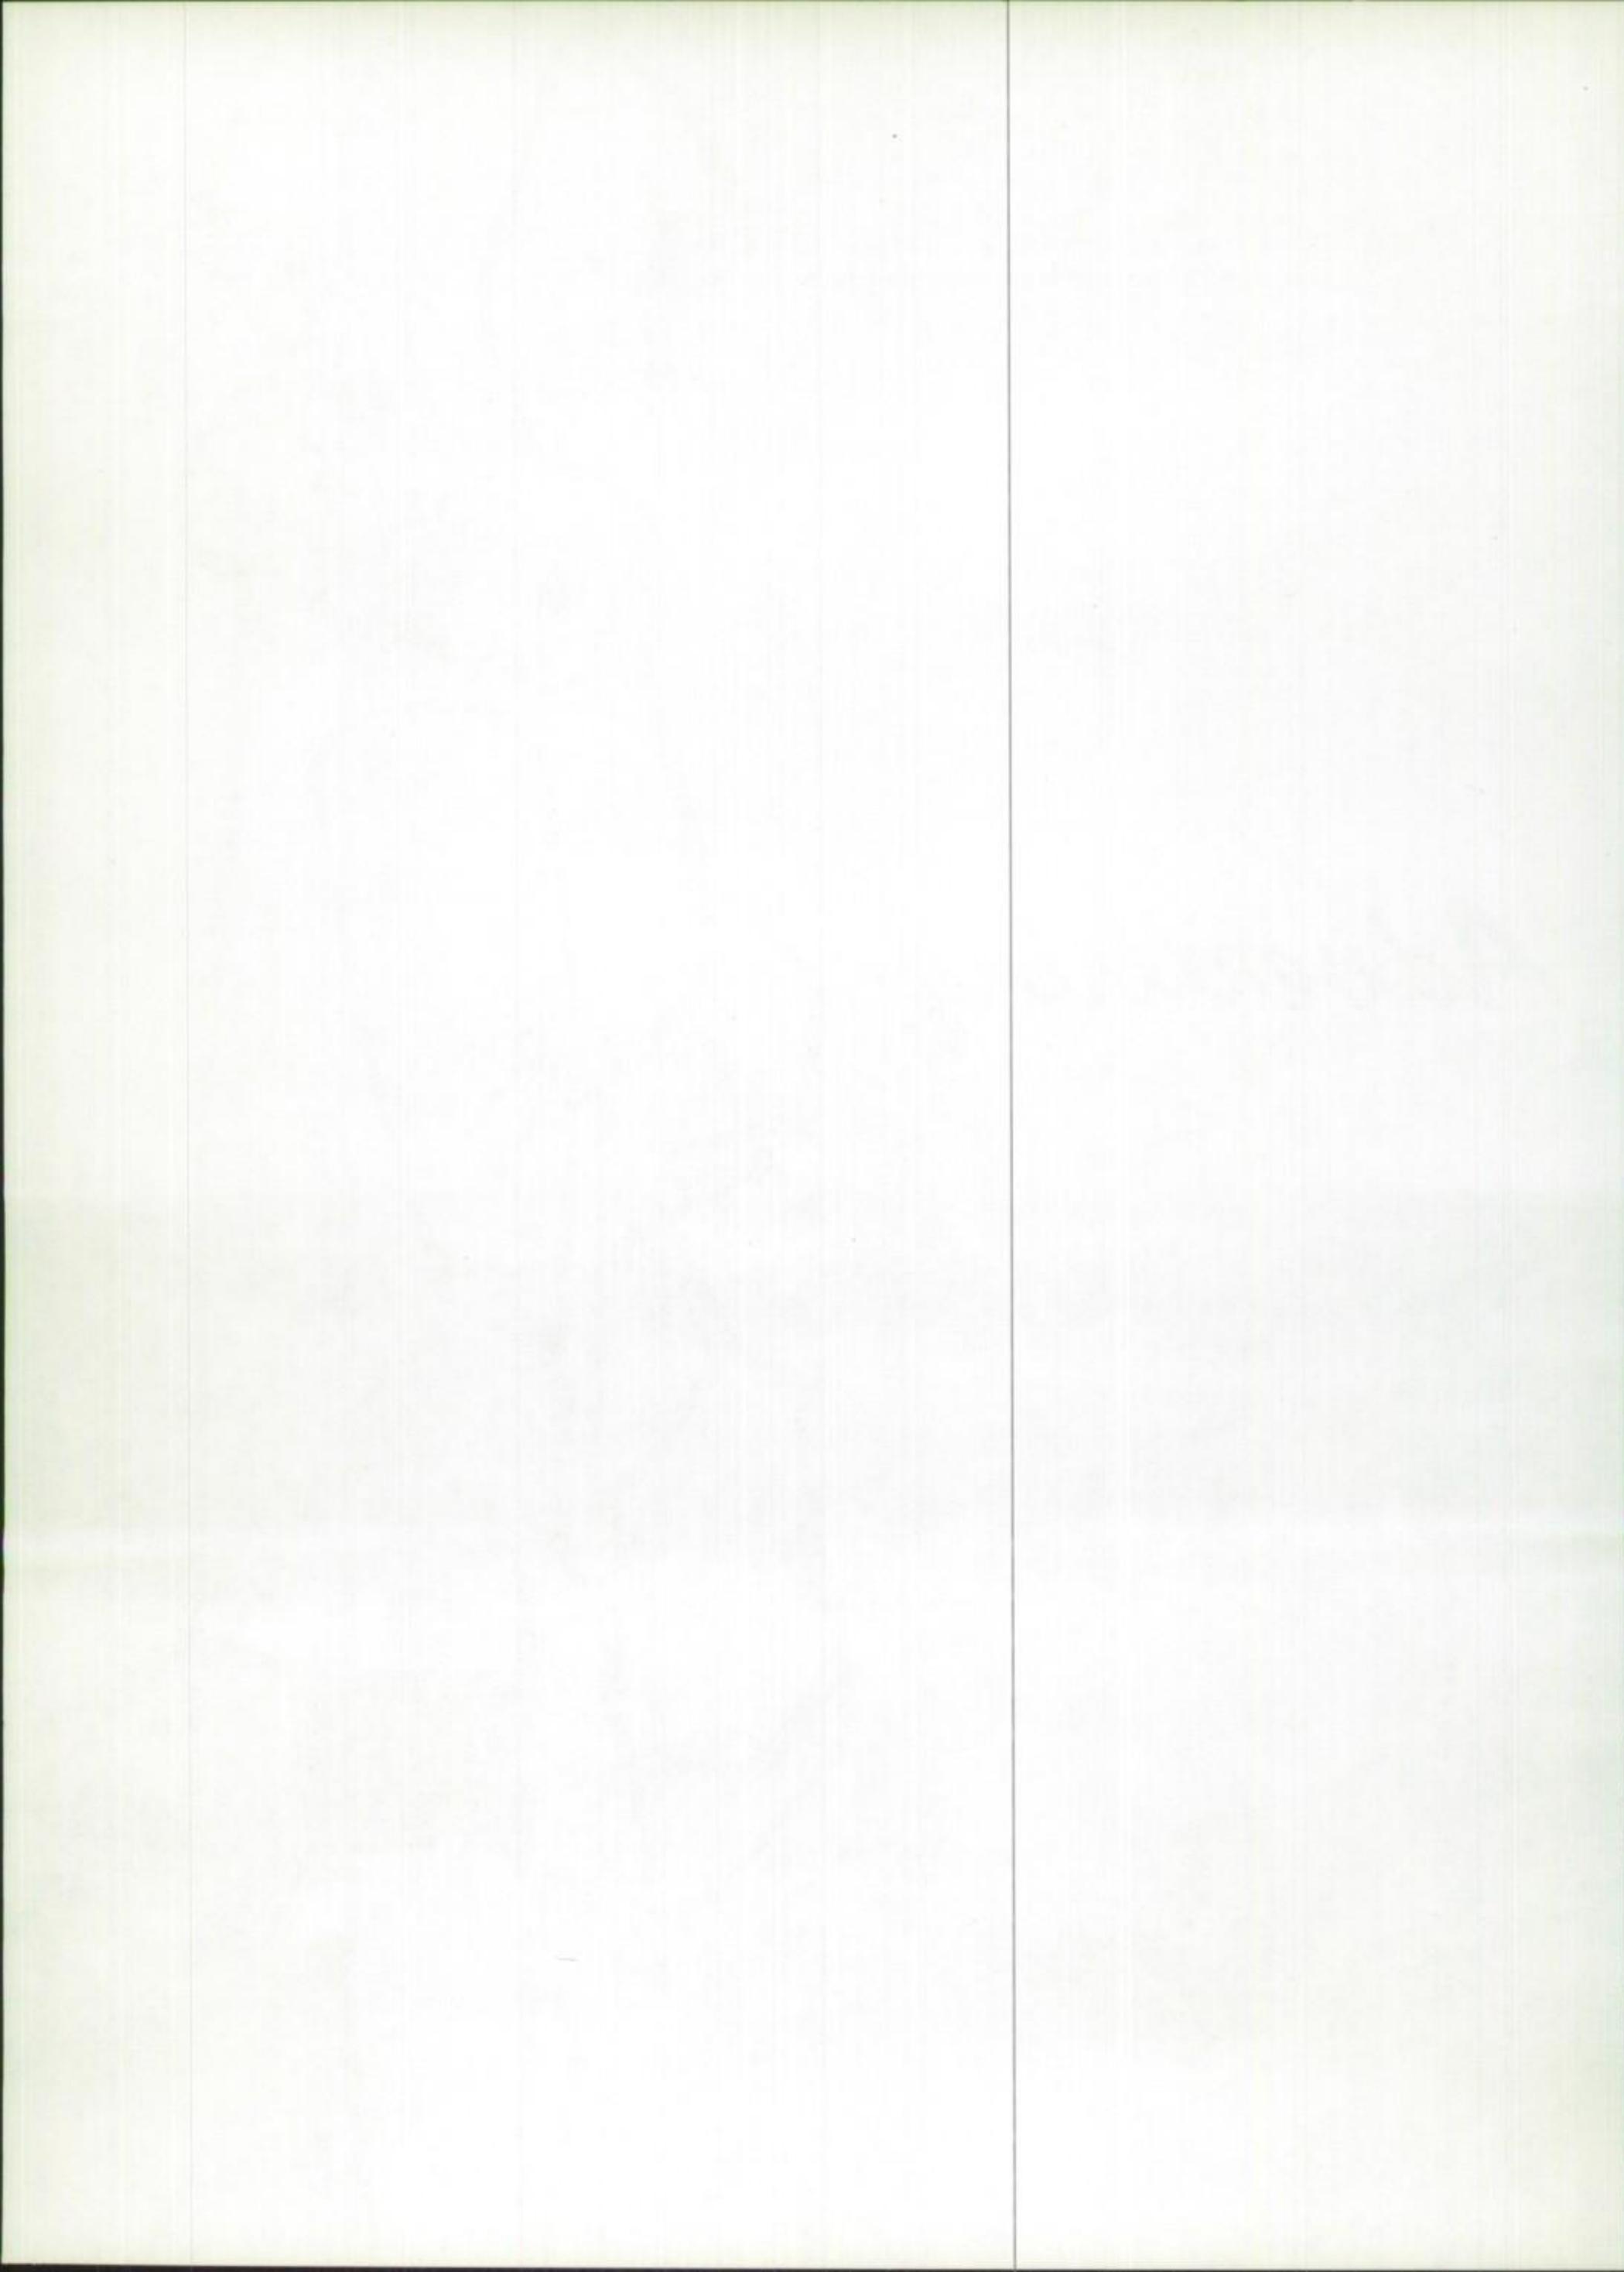

The Seniors of 1968 leave the halls of RCS wishing all students a fond farewell!
